Thanks for getting back to me! That might work well. I'm copying Tal from Planning.

You could do it here in our visitors center depending on hours and number of staff.

Hi Blair, I hope this finds you well! Great seeing you very briefly at the unity event last week.

The Planning Department has reached out to our office to ask for some help with a special project: they are seeking an empty storefront/ street level space to use for 1 week in August as a walk-in office/studio space to gather input on the Downtown Community Plan Update.

It's a great idea focused on boosting participation in the process. I think their infrastructure needs are minimal (electrical outlets mainly, restrooms in the vicinity for staff).

If you happen to think of spaces or property owners who may be open to the idea, would you let me know? You can also contact Tal Harari at City Planning directly: [tal.harari@lacity.org](mailto:tal.harari@lacity.org)

Thanks! Happy summer :)
